EDUCATION

Allenhouse Business School <i>Bachelor of Computer Applications (BCA) — CGPA: 8.0</i>	2024 – 2027 Kanpur, Uttar Pradesh
Bishop Westcott School (ISC Board) <i>Intermediate (Class XII)</i>	2023 – 2024 Kanpur, Uttar Pradesh

EXPERIENCE

Full Stack Java Intern <i>The Developers Arena</i>	May 2026 (1 Month) Remote
- Contributed to full-stack web module development using Java, working across both back-end logic and front-end integration. - Applied Object-Oriented Programming principles to build and debug application features under senior developer guidance. - Collaborated with the development team on testing, code review, and improving overall application performance.	

PROJECTS

- FinTrack | Java, Spring Boot, SQL, React**
- Built a full-stack personal finance and expense tracker enabling users to log, categorize, and analyze daily spending.
 - Designed the backend with Spring Boot and SQL for secure storage and retrieval of transaction data.
 - Developed an interactive React front-end to visualize expense trends and monthly summaries.
- Club Registration Portal | Java, HTML, CSS, SQL**
- Developed the 2nd edition of a college club registration web application to streamline student sign-ups.
 - Implemented form validation and a database-backed registration flow using SQL for data management.
 - Collaborated with peers to gather requirements and improve the user experience over the previous version.

TECHNICAL SKILLS

Languages: Java (Advanced), SQL, JavaScript, HTML, CSS

Frameworks/Tools: React, Spring Boot, Git, GitHub

Core Skills: Communication, Problem Solving, Time Management

CERTIFICATIONS

- IBM SkillsBuild – Web Development Fundamentals
- IBM SkillsBuild – Cybersecurity Fundamentals
- Deloitte Cyber Job Simulation – Completed

ACHIEVEMENTS

- Secured 2nd position in Codewar, a coding competition organized by AllenConnect (IT Club, Allenhouse Business School).
- Participated in Smart India Hackathon 2025 (SIH), collaborating with a team to build solutions under time constraints.
- Participated in a Hackathon organized by AllenTech, gaining hands-on experience in teamwork and rapid development.
